This Trademark Collateral Assignment and Security Agreement (this "Agreement"), dated July 1, 2010, is by and between CONGOLEUM CORPORATION, a Delaware corporation ("Borrower"), and LAW DEBENTURE TRUST COMPANY OF NEW YORK, a New York State chartered bank, as trustee and collateral agent (together with its successors and assigns, "Trustee").

**WITNESSETH:**

WHEREAS, Borrower has adopted, has used and is using, and is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Exhibit A attached hereto and made a part hereof;

WHEREAS, Borrower and certain of its subsidiaries filed for reorganization under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of New Jersey (the "Bankruptcy Court");

WHEREAS, by order dated June 7, 2010, the Bankruptcy Court has confirmed the Borrower's Fourth Amended Joint Plan of Reorganization (the "Plan") in accordance with Section 1129 of the Bankruptcy Code and such Plan has become effective as of the date hereof;

WHEREAS, as part of the Plan, Borrower has agreed, among other things, to issue its \$33,000,000 aggregate principal amount of 9% Senior Secured Notes due 2017 (the "Initial Notes" and, along with other potential notes to be issued under the Indenture from time to time, the "Notes") to former holders of the Borrower's 8 5/8% Senior Notes Due 2008 (the "Old Notes") and an aggregate 49.9% of Borrower's capital stock ("Stock") in exchange for the Old Notes;

WHEREAS, the Old Notes have been cancelled and Borrower and Trustee have entered into an Indenture dated of even date herewith (the "Indenture") pursuant to which Borrower has issued the Initial Notes and the Stock;

WHEREAS, under the Plan and the Indenture, the Notes are secured, *inter alia*, by certain collateral security, including the collateral as set forth herein;

WHEREAS, Borrower has also entered into financing arrangements with Wells Fargo Bank, National Association, as lender ("Senior Lender") pursuant to which Senior Lender may make loans and advances and provide other financial accommodations to Borrower as set forth in the Amended and Restated Loan and Security Agreement, dated of even date herewith, by and between Borrower and Senior Lender (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Loan Agreement") and the other Financing Agreements (as defined in the Loan Agreement); and

WHEREAS, in order to induce Senior Lender to enter into the Loan Agreement and the other Financing Agreements and to make loans and advances and provide other financial accommodations to Borrower pursuant thereto, Borrower has agreed to grant to Senior Lender certain collateral security, including in the collateral as set forth herein; and

WHEREAS, the relative rights and remedies available to the Trustee and Senior Lender are governed by the terms of an Intercreditor and Subordination Agreement dated of even date herewith between Senior Lender and Trustee (as acknowledged by Borrower, and as the same now exists or may

hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Intercreditor Agreement").

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby agrees as follows:

## 1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations under the Indenture respecting the Notes ("Obligations"), Borrower hereby grants to Trustee a continuing security interest in and a general lien upon, and hereby collaterally assigns and transfers to Trustee: (a) all of Borrower's now existing or hereafter acquired right, title and interest in and to all of Borrower's trademarks, trade names, tradestyles and service marks; all prints and labels on which said trademarks, trade names, tradestyles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; all applications, registrations and recordings relating to the foregoing in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other countries, and all reissues, extensions and renewals thereof including, without limitation, those trademarks, service marks, terms, designs and applications described on Exhibit A hereto (the "Trademarks"); (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; and (c) any and all proceeds of any of the foregoing, including, without limitation, any claims by Borrower against third parties for infringement of the Trademarks or any licenses with respect thereto (all of the foregoing are collectively referred to herein as the "Collateral").

## 2. REPRESENTATIONS, WARRANTIES AND COVENANTS

Borrower hereby represents, warrants and covenants with and to Trustee that (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) All of the Collateral is valid and subsisting in full force and effect, and Borrower owns the sole, full, and clear title thereto, and the right and power to grant the security interests granted hereunder. Borrower will, at its expense, perform all acts and execute all documents necessary to maintain the existence of any Trademarks which are material to the Borrower's business, including without limitation, the filing of any renewal affidavits if required.

(b) Borrower authorizes Trustee to have this or any other similar security agreement filed with the United States Patent and Trademark Office or other appropriate federal, state or government office with respect to the Collateral.

(c) As of the date hereof, Borrower does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other countries, other than those described on Exhibit A attached hereto and has not granted any licenses with respect thereto other than as set forth on Exhibit B hereto.

(d) Borrower will, concurrently with the execution and delivery of this Agreement, execute and deliver to Trustee five (5) originals of a Special Power of Attorney in the form of Exhibit C attached hereto for the implementation of the assignment, sale or other disposition of the Collateral after the

occurrence and during the continuance of an Event of Default, pursuant to Trustee's exercise of the rights and remedies granted to Trustee hereunder.

(c) Borrower shall provide Trustee with thirty (30) days written notice prior to filing any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States, any state therein, or any other country. Upon the request of Trustee, Borrower shall execute and deliver to Trustee any and all assignments, agreements, instruments, documents and such other papers as may be reasonably requested by Trustee to evidence the security interests of Trustee in any Trademark.

(f) Borrower will render any assistance to Trustee as Trustee shall determine is reasonably necessary in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks as Borrower's exclusive property and to protect Trustee's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(g) Borrower will promptly notify Trustee if Borrower (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design likely to infringe upon any Trademark material to the Borrower's business. If requested by Trustee, Borrower, at Borrower's expense, shall join with Trustee in such action as Trustee, in its discretion, may deem advisable for the protection of Trustee's interest in and to the Trademarks.

### 3. RIGHTS AND REMEDIES

Upon the occurrence of any Event of Default, and during the continuance thereof, in addition to all other rights and remedies of Trustee, whether provided under law, this Agreement, the Loan Agreement, the other Financing Agreements or otherwise, Trustee shall have the following rights and remedies which may be exercised without notice to, or consent by, Borrower, except as such notice or consent is expressly provided for hereunder:

(a) Trustee may require that neither Borrower nor any affiliate or subsidiary of Borrower make any use of the Trademarks or any marks similar thereto for any purpose whatsoever.

(b) Trustee may make use of any Trademarks on a royalty-free basis for the sale of goods, completion of work-in-process or rendering of services or otherwise in connection with enforcing any other security interest granted to Trustee by Borrower or any subsidiary or affiliate of Borrower.

(c) Trustee may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Trustee shall in its discretion deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(d) Trustee may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Borrower of intended disposition of Collateral is required by law, the giving of ten (10) business days notice to Borrower in the manner set forth in the Indenture of any proposed disposition shall be deemed reasonable notice thereof and Borrower waives any other notice with respect thereto. Trustee shall have the power to buy the Collateral or any part thereof, and Trustee shall also have the power to execute assurances and perform all other acts

TO: JASON BERRY COMPANY: 600 WEST BROADWAY, SUITE 2600

(e) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to Section 3(d) hereof, Trustee may at any time execute and deliver on behalf of Borrower, pursuant to the authority granted in the Special Power of Attorney described in Section 2(d) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Borrower agrees to pay Trustee on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, legal expenses and reasonable attorneys' fees.

(f) Borrower shall supply to Trustee (or its designee) Borrower's knowledge and expertise relating to the manufacture and sale of the products and rendition of services bearing or sold under the Trademarks and Borrower's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Trustee to take any such action at any time. All of Trustee's rights and remedies, whether provided under law, this Agreement, the Indenture or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

(b) Borrower and Trustee irrevocably consent and submit to the non-exclusive jurisdiction of the Bankruptcy Court, the Supreme Court of the State of New York, New York County and the United States District Court for the Southern District of New York, whichever Trustee may elect, and waive any objection based on venue or ~~forum non conveniens~~ with respect to any action instituted therein arising under this Agreement or in any way connected with or related or incidental to the dealings of the parties hereto in respect of this Agreement or the transactions related hereto or thereto, in each case whether now existing or hereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Trustee shall have the right to bring any action or proceeding against Borrower or its property in the courts of any other jurisdiction which Trustee deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Borrower or its property).
